Hello Chris,

I have already spoken with Kenneth a handful of times discussing the current invoices and what I am capable of doing. Kenneth are you able to shed some light with Chris pertaining where we are at?

This is what I have from Kenneth. I simply need an invoice from TurfHub for the \$7,925. And if you are going to bill the entire SCO of \$33,390, then we need to know that we are not getting anymore TurfHub invoices.

Eden,

It's my understanding that we have some pay app issues that need to be resolved and a pay possibly resubmitted...

Is it possible for you and I to go over this tomorrow so we can get it straightened out?

We can't afford to miss a pay app date because of paperwork errors - so it's extremely important we get on the same page.

Let me know - thanks!
