Eden,

Is the pay app date not the 25th?

This is what I have from Kenneth. I simply need an invoice from TurfHub for the \$7,925. And if you are going to bill the entire SCO of \$33,390, then we need to know that we are not getting anymore TurfHub invoices.

Eden,

It's my understanding that we have some pay app issues that need to be resolved and a pay possibly resubmitted...

Is it possible for you and I to go over this tomorrow so we can get it straightened out?

We can't afford to miss a pay app date because of paperwork errors - so it's extremely important we get on the same page.

Let me know - thanks!

Pay apps are due to me by 15th as owner pay apps are due to Accounting 20th.

Eden,

Please see attached. This is where we think we are to date, and we shouldn't need that \$7K TurfHUB invoice.

Eden,

I guess Brian told Jason that he'd have \$44K available in the next couple of weeks...

Reviewing what we discussed last week on how the pay app would be processed; this brought up a question from Ken on what the coming \$44 K would be for exactly... 🤔

Can you ahead some light on this so I can explain to Ken and Jason?

Sorry to always be haggling about money.
