Thanks Eden... isn't this why our pay app is off? If you remember, we initially included both of those co's on a previous pay app...

With that said, are we to submit a pay app showing these CO's and the r my  
to be paid?

Let me know so I can submit a pay app prior to the end of the day.

Thanks & Happy Friday!

Eden,

Are we still working on getting the security footage to officially include these 2 change orders we've been in discussion on?

Jason,

We are waiting for stamped engineered drawings from 360E that Narcomey is working on. The O/A will not approve the pay app until this has been done. We are pushing daily on this.

Thank you,

Eden
