Team,

Please note it is that time of the month to provide me your pay application. Use our standard pay application coversheet along with your G702/G703. I would like this by 8/18.

Thank you,

Eden

Jerrod,

Please see quotes attached for Change Orders #1 and #2.

Regarding CO #2, We can't add installation of (15) Picnic Tables for free. We need a minimum for \$1,875 for that portion, as it is added time. That is reflected in the revised CO#2R1 attached. Please review and let me know if you have any questions or need more information.

Regarding the pay app that is due September 18th, which I'm working on putting together now – I have a couple of questions:

1. CO1 should be included on this pay-app, correct?
2. Should CO2 be included since the work will be completed prior to next months pay-app date?

Please let me know so I can ensure everything is reflected and processed accordingly.

Sincerely,

Christopher T. Wilson

Can you include the Picnic Table install within this pricing and return? They will be anchored down with hardware provided by the manufacturer.

Thanks
