#### **GENERAL TERMS AND CONDITIONS OF SALE**

The material prices quoted to you are firm for 90 days from the bid date, then subject to possible escalation at that time. All accounts are due on the 15th of the month for materials invoiced during the previous month. Prices are subject to any applicable tax at time of delivery.

All materials quoted by Dolese for this project are warranted to meet the applicable specifications; however, Dolese will not be responsible for the materials after they leave our control. Dolese reserves the right to test any materials in the event of any alleged failure to meet specifications. No other warranty is expressed or implied.
