Mr. Crawford,

We are in receipt of your *Request for Record Copy*. Please provide a date range or date period for the following items:

- All internal and external City of Shawnee, OK financial audits to include forensic audits
- Approved annual Lions Club Ballfields budget for the City of Shawnee, OK

Once this information is received, we will provide to the appropriate department(s) for review and compiling of records.

Mr. Crawford,

Please disregard my email (below). You did provide date ranges in your letter attached to the request form. I will provide your request to the appropriate department(s) for review and compiling of records.

In our ongoing efforts to streamline our processes and enhance transparency, we are excited to inform you that the City of Shawnee has transitioned to a new open record request portal called NextRequest.

NextRequest offers a user-friendly platform that enables efficient compilation and tracking of requests, ensuring a smoother experience for both requesters and City staff alike. Your request has been successfully entered into the NextRequest portal. Shortly, you will receive an email confirming the details of your submission. Within the email, you will have the option to activate or setup your account for correspondence.

For any future open record requests, we kindly ask that you utilize the NextRequest portal to submit your inquiries. You can access the portal through this link: <https://shawneeok.nextrequest.com>. Should you encounter any difficulties or have questions regarding the NextRequest portal, please contact our office.

Thank you for your cooperation and understanding as we implement this new system. We look forward to serving you efficiently through the NextRequest platform.

The date range should go back to 2000. I know per council minutes discussions about Regional Park started early 2000.

On the attached page of initial email document the form has July 1, 1995-June 30 2023. I would like to include thru July 31, 2024 to include the demolition process of lions club ballfields. Thank you so much!
