Executive Overview

The Hidden Valley - Integrity of the Game USSSA Director Activity Profile identifies **Bo Morris** as a **USSSA Area Director**. The report organizes publicly available USSSA activity into a consistent analytical framework covering sport, teams, divisions, minimum games, minimum required officials, seasons, municipalities, counties, facilities, and Calculated Team Entry Fees. The underlying Hidden Valley dataset includes tournament and league activity and forms part of the Oklahoma USSSA Research Dataset (2001-2026).

This report is a USSSA Director Activity Profile, not a revenue, income, compensation, profit, or tax report.

Calculated Team Entry Fee Methodology

Participating Teams x Publicly Posted Team Entry Fee = Calculated Team Entry Fees. Where a public tournament or league record displays a \$0.00 Team Entry Fee, the dataset records \$0.00 rather than estimating or imputing an unsupported fee. Thus, \$0.00 in Calculated Team Entry Fees does not necessarily mean \$0.00 in documented operational activity.

Calculated Team Entry Fees should not be interpreted as USSSA-reported aggregate revenue, director income, personal compensation, profit, taxable income, net proceeds, or audited financial statements. The methodology does not fill evidentiary gaps with assumptions.

Sport and Operational Activity

The profile reports **\$166,416** in total Calculated Team Entry Fees. The full displayed calculated amount is categorized as **baseball - \$166,416**, while softball displays **\$0**. The \$0 softball figure alone does not establish that no operational activity existed because a tournament or league record can report a \$0.00 Team Entry Fee.

The profile identifies **1,183 teams**, **155 divisions of play**, **2,754 minimum games played**, and **4,803 minimum required officials**. These measurements describe operational scale separately from the calculated financial measurement.

Calculated Team Entry Fees by Season

Season	Calculated Team Entry Fees
2009	\$52,292
2010	\$57,600
2011	\$56,524

The largest season displayed is **2010 at \$57,600**, followed closely by 2011 at \$56,524 and 2009 at \$52,292. The three displayed seasons are comparatively consistent: the difference between the highest and lowest season is \$5,308. The chart

measures Calculated Team Entry Fees by season, not necessarily all operational activity occurring during each year.

Geographic and Facility Concentration

Dimension	Location / Facility	Calculated Team Entry Fees
Municipality	Jenks	\$166,416
County	Tulsa	\$166,416
Facility	Jenks Youth Baseball Complex	\$166,416

The displayed profile is geographically concentrated: **100% of the \$166,416 in Calculated Team Entry Fees is associated with Jenks, Jenks Youth Baseball Complex, and Tulsa County.** The facility is shown as a single-facility category rather than a multi-facility configuration.

These figures establish geographic and facility associations in the applicable public records. They do not establish municipal or county revenue, facility income, facility rental payments, revenue sharing, allocation of entry fees, distributions, net proceeds, or subsequent disposition of event funds.

Page 2 - USSSA Organizational & Financial Structure

Page 2 provides organizational and payment-processing context rather than additional Bo Morris-specific financial findings. The infographic depicts the organizational authority flow as:

USSSA National	State Director	Area Director	Tournament Director	Tournament / Event	Teams
----------------	----------------	---------------	---------------------	--------------------	-------

USSSA National is depicted as establishing rules, policies, and procedures and appointing State Directors. State Directors administer the program within the state, approve events, and oversee Area Directors. The Area Director is depicted as a USSSA appointee/independent contractor operating within a jurisdiction defined by the State Director. Tournament Directors manage sanctioned events, and teams register for events and may pay tournament entry fees.

The infographic reiterates that Tournament Directors at the state level and below are classified by USSSA as Area Directors and that USSSA appointees generally operate as independent contractors rather than employees.

Applicable Online Payment Pathway

Teams	USSSA Online Payment System	USSSA	ACH Transfer	Event / Fiscal Director	Tournament Operations
-------	-----------------------------	-------	--------------	-------------------------	-----------------------

The diagram describes USSSA documentation concerning an **applicable online event-payment process**: teams may pay tournament entry fees through the USSSA online payment system; applicable online event payments are processed through USSSA; and USSSA documentation describes applicable event funds being transmitted by ACH to the Event/Fiscal Director. The report does not establish that every tournament or league payment associated with Bo Morris necessarily followed this pathway.

Critical limitation: The subsequent disposition of event funds is not determined by the Hidden Valley dataset unless independently documented. The graphic does not establish ownership of funds, individual compensation, tax liability, legal liability, expenses, profit, or ultimate disposition of tournament proceeds.

What the Profile Establishes - and What It Does Not

Publicly Documented Activity: Directors, teams, divisions, sports, seasons, facilities, municipalities, counties, tournaments/events, leagues where documented, and related operational information appearing in the public records.

Calculated Financial Activity: Participating teams multiplied by publicly posted Team Entry Fees where a fee is identified.

\$0.00-Fee Activity: Documented tournament or league activity can exist where the publicly available Team Entry Fee reports \$0.00; no unsupported fee is imputed.

USSSA Organizational and Payment Documentation: USSSA materials provide context concerning classifications, independent-contractor status, organizational relationships, and applicable online payment processing.

Unknown Financial Activity: Potential locally administered fees, refunds, discounts, expenses, distributions, compensation, net proceeds, tax treatment, and ultimate disposition of event funds cannot be established unless independently documented.
