Troy & Dollie Smith Family YMCA • Shawnee, OK

James Bryce and the City Of Shawnee,

The Shawnee Family YMCA is very grateful and appreciative of the partnership we have with the City of Shawnee. Our partnership and agreements between us for the YMCA usage of the current property the YMCA sits on, the usage of Lions Club Ballpark, and the usage of Dockery fields are all vital to the success and mission of the Shawnee Young Men's Christian Association. Without our partnership, we would not be able to serve as a 501 C3, charitable organization for our community.

We have spent a lot of time and effort on both Lions Club Ballpark and Dockery ballfields and it has become evident to our organization that the usage of Milstead and Lilac ballfields are no longer needed at this time by our organization. We would like to turn over Milstead and Lilac fields to the city of Shawnee in hopes that they may be of better use to somebody else within the community. We appreciate the usage of these fields over the past few years and look forward to continuing and enhancing the property and usage at Lions Club and Dockery fields.

Thanks,

Brandon Bell
