

ARDMORE REGIONAL PARK

Hidden Valley - Integrity of the Game USSSA Facility Summary | Oklahoma Baseball & Softball | 2001-2026

Executive Facility Snapshot

The facility report documents a substantial long-term USSSA activity footprint associated with Ardmore Regional Park and Ardmore Youth Baseball. For the conservative stand-alone Primary Facility population, the report identifies **\$1,269,626 in Calculated Team Entry Fees**, including **\$1,099,481 baseball** and **\$170,145 softball**, across **3,840 teams**, at least **10,326 games**, and at least **20,602 umpire assignments**. These figures measure documented economic activity from public event records and posted fees; they are not, by themselves, proof of revenue received by a facility, municipality, director, or USSSA.

\$1,269,626 Calculated Team Entry Fees	3,840 Teams	10,326 Minimum Games	20,602 Minimum Umpires	15 Directors	63 League Teams
---	-----------------------	--------------------------------	----------------------------------	------------------------	---------------------------

Direct / Stand-Alone Primary Facility Activity

Measure	Reported Value
Baseball Calculated Team Entry Fees	\$1,099,481
Softball Calculated Team Entry Fees	\$170,145
League Activity	63 teams / \$1,374
Facility records / Directors	3 / 15
Municipalities / Counties	1 / 1

The direct facility chart separates **Ardmore Regional Park - \$674.68K**, **Ardmore Youth Baseball - \$529.82K**, and **Ardmore Regional Park, Ardmore Youth Baseball - \$65.14K**. The municipality chart places the direct activity in Ardmore at approximately \$1.27M. Rick Glasser is the dominant director concentration at approximately **\$1.10M**; the remaining displayed director amounts range from \$50.48K to \$0. Scale and concentration do not establish receipt, compensation, profit, or wrongdoing.

Annual & Sport Trend Analysis

Season	Total	Season	Total
2026	\$67.75K	2016	\$40.22K
2025	\$31.52K	2015	\$65.51K
2024	\$55.06K	2014	\$79.24K
2023	\$63.84K	2013	\$66.80K
2022	\$78.28K	2012	\$52.70K
2021	\$86.82K	2011	\$65.38K
2020	\$78.24K	2010	\$51.96K
2019	\$80.31K	2009	\$37.20K
2018	\$82.63K	2008	\$32.98K
2017	\$55.28K	Others	\$97.90K

Among individually labeled seasons, **2021 is the highest total season at \$86.82K**. Baseball's highest individually labeled season is **2022 at \$64.74K**. Softball peaks at **\$26.72K in 2020**, narrowly above \$25.73K in 2021. The chart also contains an aggregated **Others** category of \$97.90K for total and baseball activity.

Associated Multi-Facility / Satellite Activity

Page 3 excludes the stand-alone population and identifies one multi-facility configuration: **Ardmore Regional Park, Del City Ball Park**.

Measure	Page 3 Value
Calculated Team Entry Fees	\$4,334
Baseball / Softball	\$0 / \$4,334
Teams	11
Minimum Games / Umpires	54 / 108
Director	BIG Show Productions

Association is not allocation. The \$4,334 is one pool of calculated activity associated with the multi-facility record. The report does not establish how teams, games, officials, fees, or other activity were divided between Ardmore Regional Park and Del City Ball Park.

Combined Documented Facility Activity Footprint

Measure	Page 4 Value
Calculated Team Entry Fees	\$1,273,960
Baseball / Softball	\$1,099,481 / \$174,479
Teams	3,851
Minimum Games / Umpires	10,380 / 20,710
Facilities / Directors	4 / 15
Municipalities / Counties	2 / 2

Page 4 is the broadest documented footprint involving the selected facility. It combines direct records with the associated multi-facility population; it is not a claim that every dollar, team, game, or official represented occurred exclusively at Ardmore Regional Park.

Facility History, Infrastructure & Regional Role

The supplied history describes Ardmore's transition from an earlier professional baseball era toward youth recreation, amateur leagues, and softball centered on Ardmore Regional Park. It identifies **eight diamond fields** divided into two main baseball and softball complexes and describes the site as a regional draw for collegiate, amateur, USSSA slowpitch, and youth showcase events.

Modernization described in the history includes artificial-turf infields, smartphone-controlled digital scoreboards installed in September 2023, overhead shade canopies above spectator bleachers, and protective netting around playground areas. The history states that the scoreboard upgrade was funded through a partnership involving former OU coach Barry Switzer and Youth Scoreboards at no cost to local taxpayers.

Methodology & Evidentiary Limits

Calculated Team Entry Fees = Number of Participating Teams x Publicly Posted Team Entry Fee. This is a calculated measure of documented economic activity. It does not independently establish actual collections, gross receipts, facility or municipal income, director compensation, profit, taxable income, bank deposits, gate receipts, concession revenue, or disposition of funds.

Multi-facility records: association is not allocation. A record naming multiple facilities establishes association with the same event but does not establish how teams, games, officials, entry fees, or other activity were divided among locations.

Dataset limitations: historical public records may contain incomplete information, naming variations, reused or inconsistent identifiers, facility-name changes, \$0 listings, missing fields, or later changes/removals. Separate facility reports should not simply be summed for statewide totals because the same multi-facility event can appear in more than one facility report.

Independent research disclaimer: the Hidden Valley - Integrity of the Game dataset is an independent research reconstruction based primarily on publicly accessible USSSA information. It is not an official USSSA report and is not represented as sponsored, endorsed, verified, or approved by USSSA, governmental entities, municipalities, facility owners, directors, or other organizations appearing in the research. Identification in the dataset does not itself imply wrongdoing, misconduct, tax noncompliance, criminal activity, or civil liability.

Facility-Specific Conclusion

Ardmore Regional Park presents a large, sustained documented USSSA footprint across the 2001-2026 research period. The conservative direct population contains **\$1.2696 million** in Calculated Team Entry Fees and **3,840 teams**, while the combined documented footprint reaches **\$1.2740 million** and **3,851 teams** after the limited Ardmore Regional Park/Del City Ball Park association is included. Baseball accounts for most of the calculated direct activity. The evidence supports a conclusion of substantial, recurring tournament and league utilization; determining actual collections, allocation of multi-site activity, contractual terms, public costs, or disposition of funds would require independent financial, facility, and governmental records.
