TONY TAYLOR - UPDATED USSSA DIRECTOR ACTIVITY PROFILE

Executive Overview

The refreshed Tony Taylor source reports identify him as a **USSSA Area Director** and preserve the core tournament activity totals of **\$388,069 in Total Calculated Team Entry Fees**, all categorized as softball, with **2,538 teams**, **289 divisions**, **10,041 minimum games played**, and **16,758 minimum required officials**. The updated Facility Report adds an important league layer: **609 league teams** and **\$85,401 in Calculated League Team Entry Fees**, together with **4 facility classifications**, **2 municipalities**, and **2 counties**.

The prior professional summary already captured the tournament-side totals correctly. Tournament and league figures are kept as separate analytical categories rather than added together as though they were one USSSA-reported revenue total.
